PRESIDENT'S MESSAGE

It seems like it has been forever since we started the long road toward the Iowa Quarter release. By the time you read this I imagine we will all have them in our hands and even be spending them. It has been an interesting process and the Ina has been lucky to have had Tom Robertson represent us in the selection committee. Tom and Brian Fanton were also able to attend the First Strike ceremony at the US mint. I imagine that was interesting. Thanks to Tom for getting one of the first coins to add to the Ina Collection.

This will be my last presidents message so I want to thank all of you that have served or helped the Ina during my tenure. I personally have enjoyed the opportunity and encourage others to get involved. The Ina and your local clubs can use your help. I also ask for your help with our continuing work on getting rid of the burden of sales tax on coins in Iowa. I am confident that If we keep plugging away we will succeed. It will make a huge difference.

With Pleasure

Scott Nichols

FROM THE SECRETARY'S DESK

Thank you to everyone who has responded to my very delayed dues notices. I really don't know where the time goes each year, but it sure does fly!

Please stop and see me this fall at the INA show in Fort Dodge, we'll check to see if you're paid up or we can even take care of next year's dues at that time. Please remember to keep the INA informed of any address changes from the member instead of getting it sent back by the post office. Thanks to everyone for keeping me updated.

Are you getting excited about the Iowa Quarter? We're still trying to figure out what kind of demand we'll be seeing. We sure hope we'll be able to keep up with the demand.

I'm very excited about the INA 66th Annual Show and Convention being held in Fort Dodge this year. It is scheduled for Oct. 23rd & 24th at the Holiday Inn. Out bourse is sold out! We are looking forward to lots of new faces along with familiar faces as well. We hope to see everyone in October.

The Ballot is still be worked on as I'm writing this. Please be sure and vote when the Ballot does come and get it sent back right away. Please be sure and follow all instructions so as not to invalidate your votes.

Beverly Ashton, Secretary/Treasurer

THANK YOU

I am wanting to thank all the loyal supporters of the "Collector", as I am not going to accept that job for next year, until they find something to control my tremor. I'm waiting for Iowa City or Mayo to come up with a drug that I am not allergic to that will again make my writing legible.

Thank you dear friends,

JoAnn Peters

66th Annual Convention - October 23 & 24, 2004, Fort Dodge

The Fort Dodge Coin Club is the proud sponsor of the 66th Annual Convention. The Fort Dodge Coin Club is the largest and most active in the state. Most of the nearly 100 members are very active collectors. They meet monthly on the second Thursday of each month. Everybody is welcome and supported by other members no matter what they collect or what level they collect at. In addition to regular monthly auctions, there are special auctions where only young collectors can bid on items. Various educational programs are also part of the club's activities.

There is no special secret to the Club's success, but there are several regular activities that make it special. There is an auction each month that consists of 100+ items – mostly coins and currency, a few post cards medals and tokens and once in a while some miscellaneous surprise items. In August there is the annual picnic and no one has ever gone away hungry. In June there is a drawing for a gold piece. In December, there's an auction, a free pizza party and a drawing for a gold coin. You can understand why members from the surrounding counties drive to Fort Dodge for the fun. Last, but not least, the club hosts its annual coin show each spring at the Crossroads Mall.

As stated before, the club always welcomes new members—so come join the fun next month. The club meets at Iowa Central Community College in the Voc Tech Building, the second Thursday of each month at 7:30 p.m. Doors open at 6:30 p.m.

Bourse Area

There will be a 45 table bourse with dealers from the surrounding states setting up at the Holiday Inn to buy and sell numismatic items. There will be a full variety of items to choose from whether you're just beginning or a very advanced collector.

Banquet

A 3-meat buffet dinner will start at 6:30 p.m. on Saturday night. A ticket for the banquet costs only \$15.00 and one lucky person will be drawn to win a gold piece.

This event has sold out in the past—so get your ticket early!

There will be some special musical entertainment. There will not be a speaker—just some fun entertainment—no speeches.

Auction

There will be a 100 lot auction on Saturday night following the banquet and special entertainment. Fort Dodge Coin Club members, David Hanson, Steve Moberg, Gordy Weber and Sam Ashton, have organized a great auction. A copy of the list of items on the auction is enclosed as a flyer in this bulletin.

A sample of the items in the auction include: several high grade type coins, several key date coins, including a 1921 Standing Liberty Quarter, some CC Morgan Dollars and some national bank notes. There will be something for everyone from the novice collector to the advanced collector. The auction will start around 8:00 p.m. Saturday night.

Other Convention Activities

In addition to the Bourse, auction and banquet, there are several other activities planned. There will be a non-denominational Chapel Service on Sunday morning at 7:00 a.m. The INA will have its educational/promotional exhibit on display. Additionally, there will be a special exhibit by the Central States Numismatic Society.

Finally, this is an INA convention—so there are two meetings, a Board Meeting on Saturday at 5:15 p.m. in the Banquet Room on the Lower Level and a General Membership Meeting at 8:00 a.m. Sunday on the Lower Level. Feel free to talk with any board member so they can know what member concerns are. Hope to see everyone in Fort Dodge!

A Little About Fort Dodge

Yes! There is a Fort in Fort Dodge. In fact the fort was built 154 years ago this fall as the United States expanded and attacks on settlers were frequent. Today, there is a full size working replica of the fort located on Kenyon Road.

Fort Dodge is also known as the "Mineral City" due to the large deposits of Gypsum that are located all around the city. Gypsum is a prime ingredient in the production of wall board that is used in home construction.

8:00 P.M. October 23, 2004
Fort Dodge, Iowa

Lots will be displayed Saturday, lot inspection 3:00 P.M. – 5:00 P.M. Saturday afternoon and 30 minutes prior to sale. Grading is an art and not a science, and the opinion for a particular item can and will vary. We urge all bidders to examine the lots they may bid on prior to the sale.

Estimates given are guides to the bidders, lots that have a minimum bid are marked M.B. and will only sell for that amount or more. We tried to accurately reflect each lot's value, but some will sell higher and some lower than its estimate.

A special thank you to all the Fort Dodge Coin Club members who helped to acquire, grade and estimate all the items we have consigned today.

- 1. Please use your bidding number.
- 2. Wait to settle until after auction is completed.
- 3. All lots must be paid for and picked up at the end of the sale.
